

Program Description

This course teaches how to design dashboards in DAS. You'll learn how to create, format, customize, and edit dashboards that eventually will be published to mobile users via Mobie. You will also learn how to publish a dashboard, how to view the output on mobile devices, how to create slideshows, and provides a high-level explanation of the portal and data boxes within Mobie.

COURSE DETAILS

Duration: 1/2 day

Prerequisites: DAS Basics & DAS Intermediate

Field of Study: Computer Software & Applications

Advanced Preparation: None

Program Level: Advanced
