

Program Description

This program teaches students to design reports using multiple tables, providing a better understanding of how to work with JD Edwards data using joins, table lookups and external data connections. Students will learn how to trend data in reports to maximize organization and intelligence capabilities. Students will learn how to use the automatic presentation features in DAS.

COURSE DETAILS

Duration: 1 day

Prerequisites: DAS Basics

Field of Study: Computer Software & Applications

Advanced Preparation: None

Program Level: Intermediate

Group Live

CPE Credits: 6.5

- Custom Virtual Instructor-Led
- In-Person Group Instructor-Led

Audience

Designed for DAS users who are comfortable creating basic reports and want to combine data from multiple JD Edwards tables to build more powerful and dynamic reports.

Learning Objectives

Upon successful completion of this course, you will have the ability to:

- Combine data using joins and lookups.
- Access external data sources.
- Build reports with Excel using presentation layer.
- Build reports using trends.

Ready to schedule a class?

Contact your Reports Now Account Manager or fill out the [interest form](#) on our website. For questions, email sales@reportsnow.com

Attendance & Completion

To obtain CPE credit, participants must attend at least 90% of the instructional time. Attendance is tracked via sign-in records (in-person) or login reports (virtual). Polling questions are administered throughout, and participants must respond to at least 75% of them to receive credit.

Cancellations, Refunds and Complaints

Reports Now's cancellation and refund policy appears on the Product Schedule executed by your company regarding the specific classes offered. Participants may submit complaints via email at sales@reportsnow.com or through our website at www.reportsnow.com/about-us/contact-us/.

DAS Intermediate Agenda

1. Combining Data from Multiple Tables
2. Joins vs. Lookups
3. Working with Existing Joins
4. Creating Custom Joins
5. Table Lookups
6. Connecting to External Data Sources
7. Report Styling & Formatting with Presentation Layer
8. Trend Reporting

Official NASBA Sponsor Statement
